

Albania Investment

'There's never been a better time to invest'

We have been established in Albania since 2006 and our partner since 1993. Between us, we have the best understanding of the needs of the local and foreign investor, who wishes to do business in this enthralling emerging country.

We would be interested to hear from any individual or company wishing to invest with their business activity, in Albania right now.

Albania Estate are the intermediary between those looking for some of the following :

- Bulk Buy Developments
- Developers
- Existing Businesses
- Joint Ventures
- Commercial Premises
- Shopping Malls
- Architects
- Land feasibility studies
- Banking
- Lawyers

Why Foreign Companies should invest in Albania

- Proximity to East and West Europe
- Political Stability
- Economic Growth
- Pre EU accession agreement
- New member of NATO
- High increase in Tourism and Infrastructure

- Low Costs of Transport
- Adaptable and Flexible Workforce
- Skilled and Lower Labour Costs
- Extensive Language Skills
- Increasing FDI
- Increasing GDP
- Winning fight against Corruption
